

FIONA

Now available in three new shell finishes. A geometric floral motif inspired the Fiona. Its narrow border is now available in six different materials (bone, hammered metal, mirror, and three types of shell) and highlights the dramatic shape while lending itself to a wide range of interiors.

Finish: Kabibe Shell (32"D/38"D), Young Pen Shell (32"D/38"D), SMOP (32"D/38"D), Natural Bone, Tikra Mirror, Hammered Metal
