

GAVIN

Now available in kabibe. Young pen shell and kabibe are luxurious materials usually used sparingly—small boxes, trays, etc. Throwing caution to the wind, we use them to make dramatic headboards. A versatile rectangular shape with cut corners, the Gavin will be the anchor if you are looking to create a spectacular bedroom suite.

King:
65"L x 2.5"W x 54"H

Queen:
80"L x 2.5"W x 54"H

Finish: Kabibe, Young Pen Shell
