

## KEATON

The classically designed Keaton is covered in genuine, full-grain leather, adding an earthy element to an otherwise beautifully simple piece. The hues of its hair-on hide naturally vary from dark to light for an organic, one-of-a-kind desk top. Finishing touches include teak legs and silver brushed metal hardware

48" L x 24" W x 31" H  
Finishes: Gray Cowhide/Teak
