

MORGAN

Now available in ivory shagreen. Having used faux shagreen since our first collection, we have spent countless hours perfecting our techniques. As other brands now jump on the bandwagon, it's clear they still have much to learn! The Morgan, our full shagreen headboard, perfectly exemplifies this difference in experience. Naturally sized panels of shagreen are arranged in a clean, stacked pattern, highlighting the detailed work. Finished in complementary wood veneer on the side edges.

King 80"L x 3.5"W x 54"

Queen 65"L x 3.5"W x 54"H

Finish: Antiqued Mirror
