

PERLA

Our new Perla collection of Parsons tables offers versatility to the max, and we're pretty sure you're gonna love it as much as we do. The modernist shape—simple legs, sharp corners, square top—lends itself well to any environment and we offer seven finishes so you can mix and match extensively. Combine them to create a bench or a coffee table, pull them apart when you need a low stool or a side table—the Perla's customizable colors and combos let your creativity shine.

14"L x 14"W x 17"H

Finishes: Turquoise Sea Snake (top photo, front left), Green Tab, Off-White Shagreen, Silver MOP, Bone, Young Pen Shell, Vertagus Shell, Dotted Capiz, Kabibe
